LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

common venue. The deemed venue for the AGM shall be the Registered Office of the Company. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") MCA Circulars and SEBI Circulars the AGM of the Company is being held through VC / OAVM. Members desirous of participating in the meeting through VC/OAVM, may refer to the procedures mentioned below in this AGM notice.

3. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. SUCH PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.** Since the ensuing AGM is being held through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act. In case of Joint Holders, the member whose name appears as First Holder in the order of names on the Register of Members of the Company will be entitled to vote. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
5. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to bk.scrutiniser@gmail.com with a copy marked to evoting@nsdl.co.in.
6. The Register of Members and share transfer books of the Company will remain closed from Friday, 29th July 2022 to Thursday, 04th August 2022 (both days inclusive) as per Section 91 of the Companies Act, 2013 and Regulation 42 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
7. The dividend as recommended by the Board of Directors, if declared at the AGM will be paid, subject to deduction of tax at source, whose names appear in the Register of Members as on 28th July 2022 in respect of shares held in physical form and in respect of shares held in dematerialized form, the dividend shall be paid on the basis of the beneficial ownership as per the details furnished by the Depositories for this purpose at the end of the business hours on 28th July 2022.
8. Members who wish to claim dividends, which remain unclaimed, are requested to correspond with Registrars and Share Transfer Agents of the Company. Members are requested to note that dividends not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will, as per Section 124 of the Companies Act, 2013 be transferred to the Investor Education and Protection Fund. As per Section 124 of the Companies Act, 2013 all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall be transferred by the Company to Investor Education and Protection Fund (IEPF) established under the Ministry of Corporate Affairs. Subsequently, the members shall be entitled to claim the shares from IEPF in accordance with procedure and on submission of documents as may be prescribed by IEPF Authority from time to time. Hence, members are requested to encash the dividends which are unclaimed for the financial years from 2014-15 to 2020-21.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) and bank account details by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN and bank account details to their Depository Participants with whom they are maintaining their demat account(s). Members holding shares in physical form can submit their PAN details and bank account details to the Registrars and Share Transfer Agents of the Company. SEBI vide their circular dated 20th April 2018 has mandated that the dividend warrant / demand draft revalidation request can be processed only if the bank account details are registered with Depository Participants (for demat shareholders) and Registrars and Share Transfer Agents of the Company (for shareholders holding shares in physical form). Hence, the shareholders are requested to immediately register their PAN and bank account details.
10. Brief profile, details of shareholding and inter-se relationship of Directors seeking election/re-election as required under Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards are provided as Annexure to this notice.
11. Members holding shares in physical mode are requested to update the KYC details pursuant to the SEBI circulars by coordinating with the Registrars and Share Transfer Agents (RTA), M/s SKDC Consultants Limited, "Surya" 35, Mayflower Avenue, Behind Senthil Nagar, Sowripalayam Road, Coimbatore – 641028, Tamilnadu, India. Similarly, members holding shares in Demat form shall intimate the above details to their respective Depository Participants.

12. Pursuant to the Finance Act, 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with Share Transfer Agents, M/s. SKDC Consultants Limited (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to green@skdc-consultants.com on or before the end of the business hours of 28th July 2022. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, any other document which may be required to avail the tax treaty benefits by sending an email to green@skdc-consultants.com. The aforesaid declarations and documents need to be submitted by the shareholders on or before the end of business hour of 28th July 2022.

13. Members whose shareholding is in the electronic mode are requested to direct change of address notifications and updates of bank account details to their respective Depository Participant(s). Members whose shareholding is in the physical mode are requested to coordinate with the Registrars and Share Transfer Agents, M/s. S.K.D.C Consultants Limited for payment of dividend through electronic mode.
14. Members holding shares in electronic form may please note that as per the regulations of National Security Depository Services Limited (NSDL) and Central Depository Services (India) Limited (CDSL), the Company is obliged to print the details on the Dividend Warrants as furnished by these Depositories to the Registrars and Share Transfer Agents/Company and the Company cannot entertain any request for deletion / change of bank details already printed on dividend warrants as per the information received from the concerned Depositories. In this regard, Members should contact their Depository Participants (DP) and furnish particulars of any changes desired by them.
15. As per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the transfer of shares in physical mode is not allowed from 1st April 2019. Further, SEBI had mandated the listed entities to issue shares only in dematerialized mode, with effect from 25th January 2022 to shareholder(s)/claimant(s) holding shares in physical mode, as against their service requests including for transmission or transposition of shares.
16. Further, SEBI vide its circular dated 3rd November 2021 has also mandated that the shareholders holding shares in physical form are required to update their PAN, KYC details, bank details and nomination details with the RTA on or before 1st April 2023, failing which the securities held by such shareholder will be frozen by the RTA. The securities once frozen will revert to normal status only upon receipt of requisite KYC documents or upon dematerialization of the said securities. Shareholders holding shares in physical form may also note that once the securities are frozen, the payment of dividend will be processed only upon receipt of requisite KYC details to the bank account of the shareholder electronically.

Further, SEBI vide its circular dated 3rd November 2021 has also mandated that the shareholders holding shares in physical form are required to compulsorily link their PAN and Aadhaar. Accordingly, the physical folios in which PAN and Aadhaar are not linked have been frozen by the RTA. The securities which have been frozen will revert to normal status only upon receipt of requisite KYC documents or upon dematerialization of the said securities.

Necessary prior intimation(s) in this regard was provided to the Shareholders. Therefore, Members holding share(s) in physical form are requested to immediately update their KYC details / dematerialize their shareholding in the Company. A copy of the said circulars is available on the Company's website www.lecsindia.com

17. As per the provisions of Section 72 of the Act, facility for making nominations is now available to Individual(s) holding shares in the Company. Members holding shares in physical form may coordinate with the Registrars and Share Transfer Agents of the Company. Members holding shares in electronic form have to approach their depository participants for completing the nomination formalities.
18. Members who require any clarifications on accounts or operations of the Company are requested to write to the Company before 27th July 2022 (5.00 pm IST). The queries will be answered accordingly.

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

19. As per the green initiative taken by the Ministry of Corporate Affairs, the shareholders are advised to register their e-mail address with the Company in respect of shares held in physical form and with the concerned Depository Participant in respect of shares held in electronic form to enable the Company to serve documents in electronic form.
20. In compliance with aforesaid MCA Circulars and SEBI Circulars electronic copy of the AGM Notice and the Annual Report containing Financial Statements, Boards Report, Auditors Report, Corporate Governance Report and other documents is being sent only by email to members of the Company who have registered their e-mail id with their depository participants (for members holding shares in demat form) and to their e-mail id registered with the Registrar and Share Transfer Agent of the Company (for members holding shares in physical form). Members may note that the Notice and Annual Report 2021-22 will also be available on the Company's website www.lecsindia.com and website of the BSE Limited at www.bseindia.com
21. The results of the e-voting and e- voting during the Annual General Meeting will be announced by the Chairperson or person authorised by the Chairperson within two working days from the date of conclusion of the Annual General Meeting. A copy of which will be posted on the Company's website and forwarded to the Stock Exchange.
22. The Registers and documents maintained under the Act, which are eligible for inspection, will be available electronically for inspection by the members during the AGM. Members seeking to inspect such documents can send an e-mail to 'secretary@lecsindia.com'

Voting through electronic means

In compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (including any statutory modifications, clarifications, exemptions or re-enactments thereof for the time being in force), the Company is pleased to provide the members the facility to exercise their votes for all the resolutions detailed in the Notice of the 41st Annual General Meeting scheduled to be held on Thursday, 4th August 2022 at 3.05 p.m. (IST) by electronic means and the business may be transacted through remote e-voting and e-voting system during the AGM. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting, and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

The Company has engaged the services of NSDL as the authorized agency to provide the remote e-voting and e-voting during the AGM as per the instructions given below:

Vote by Remote e-Voting and e-voting during the AGM

Sri. B. Krishnamoorthi, Chartered Accountant, is appointed as Scrutinizer by the Board of Directors to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner.

Item No. 7

The Board of Directors of the Company pursuant to the recommendations of the Nomination and Remuneration Committee had recommended the appointment of Sri. N.R.Selvaraj (DIN: 00013954), as an Independent Director on the Board of Directors of the Company for the first term of five consecutive years with effect from 4th August 2022, date of the ensuing AGM.

The Company has received a notice in writing from a member under Section 160 of the Companies Act, 2013 ("the Act") proposing his candidature for the office of Independent Director of the Company.

The brief profile of Sri N.R.Selvaraj and his other directorships has been included in this Notice.

Sri N.R.Selvaraj is not disqualified from being appointed as Director in terms of Section 164 of the Act and is not debarred from holding the office of Director by virtue of any Securities Exchange Board of India ("SEBI") order or any other such authority. He has given his consent to act as an Independent Director along with the declaration to the effect that he meets the criteria of independence as prescribed under the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and that his name is included in the databank of Independent Directors as required under Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Nomination and Remuneration Committee and the Board of Directors, after reviewing his mix of skills, experience, competency and other attributes, were of the opinion that his association would be of immense benefit to the Company and it is desirable to continue to avail the services of Sri. N.R.Selvaraj as an Independent Director. He is not liable to retire by rotation.

In the opinion of the Board, Sri. N.R.Selvaraj fulfills the conditions as specified under the Act read with the Rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his appointment as an Independent Non-Executive Director of the Company and is also independent of the Management.

Sri.N.R.Selvaraj (DIN: 00013954), has been on the Board of Directors of the Company with effect from 1st February 2019 and has become eligible to be appointed as an Independent Director of the Company.

Pursuant to Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), a Non-Executive Director of the Company who has attained the age of 75 years can continue to act as a Non-Executive Director in the Company with the approval of the Members through a special resolution.

Sri.N.R.Selvaraj will attain the age of 75 years on 05.10.2022 and accordingly, pursuant to the said regulation, the approval of the Members by a special resolution is required to be obtained to enable him to continue his directorship in the Company.

Keeping in view his qualification and experience, the Board of Directors are of the opinion that his continuation as a Non-Executive Director beyond the age of 75 years will be beneficial to the Company.

A copy of the draft Appointment Letter to be issued to Sri. N.R.Selvaraj upon his appointment as an Independent Non-Executive Director, containing the terms and conditions of such appointment, would be available to Members for inspection at the Registered Office of the Company during the normal business hours (9:00 am, India Standard Time ("IST") to 4:00 pm IST) on any business day without payment of fee.

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

Accordingly, the Board recommends the Special Resolution in relation to eligibility and appointment of Sri. N.R. Selvaraj as an Independent Director for the first term of five (5) consecutive years, for approval by the Shareholders of the Company.

He has not resigned from any listed Company during the past three years.

He is a Non-executive and Independent Director and entitled to receive remuneration by way of fees and reimbursement of expenses for participation in the meetings of the Board and / or Committees or any other meeting of directors and profit related commission, if any, in terms of Section 197 and other applicable provision of the Companies Act, 2013, and as determined by the Board from time to time, within the overall limits specified under the Companies Act, 2013 as well as the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015.

The explanatory statement may also be construed as disclosure under Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The disclosures as required under Listing Regulations and Secretarial Standard 2 are furnished and form a part of this Notice.

Interest of Directors:

Except Sri. N.R.Selvaraj being the proposed appointee, none of the Directors and the Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution as set out as Item No. 7 of the Notice of the AGM.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economy Overview

Global:

Global growth is expected to be moderate and in the range of 4.4 percent in 2022 largely reflecting forecast markdowns in largest economies. The emergence of new COVID-19 variants could prolong the pandemic and induce renewed economic disruptions. Moreover, supply chain disruptions, energy price volatility, and localized wage pressures means uncertainty around inflation and policy paths is high. Other global risks may crystallize as geopolitical tensions remain high, and the ongoing climate emergency means that the probability of major natural disasters remains elevated.

Global trade is expected to be moderate in 2022 and 2023, in line with the overall pace of the expansion. Assuming that the pandemic eases in 2022, supply chain problems are expected to abate later in the year. The accompanying moderation in global goods demand will also help reduce imbalances.

However, elevated inflation and high energy prices in the year 2022 is expected to persist longer than envisioned which may result in the supply chain disruptions. Assuming inflation expectations stay well anchored, inflation should gradually decrease as supply-demand imbalances wane in 2022 and monetary policy in major economies responds.

India Scenario:

India's GDP projected to grow by 8 to 8.5 percent in real terms in 2022-23. The year ahead is poised for a pickup in the private sector investment with the financial system in a good position to provide support for the economy's revival.

Macroeconomic stability indicators suggest that the Indian Economy is well placed to take on the challenges of 2022-23. Combination of high foreign exchange reserves sustained foreign direct investment, and rising export earnings will provide adequate buffer against possible global liquidity tapering in 2022-23.

Government of India's unique response comprised of safety-nets to cushion the impact on vulnerable sections of society and the business sector, significant increase in capital expenditure to spur growth and supply side reforms for a sustained long-term expansion.

India's merchandise exports and imports rebounded strongly and surpassed pre-COVID levels during the financial year 2021-22. There was significant pickup in net services with both receipts and payments crossing the pre-pandemic levels, despite weak tourism revenues.

Opportunities and Threats

The Company is predominantly dependent on the fortunes of textile machinery market. The Global Textile Machinery market size is forecast to reach \$33.2 billion by 2026. The growth of Textile Machinery market is attributed to the factors such as growing automation process, various government policies and regulations, etc. Moreover, technological advancements such as nano-technology inventions, digital printing technology, ultrasonic wet processing technology and plasma technology expected to boost the market growth. Textile producers are expected to invest in the purchase of textile machinery due to the latest textile finishing technology, which is utilized to increase fabric quality. There is a growing need for the most up-to-date textile machinery due to innovations in nano technology, laser printing, digital printing, etc., in garments. Furthermore, rising demand for non-woven fabrics which require specialized texturing and finishing machinery during production expected to drive forward the Textile Machinery market in the long run. The Company sees opportunities in the said advancement of technologies and optimistic in grabbing such opportunities.

The Company's efforts for scouting latest technology to explore new avenues / products in energy measuring / managing systems is continuing. The Company is also putting its effort to automatize the operations in its Electricals segment in consultations with its customers. The global outbreak of COVID 19 is delaying the efforts. The Company is putting its sincere efforts to grab the opportunities and to expand its customer base. The main product manufactured by the Company i.e. Control Panel is highly labour oriented, and the pandemic has impacted the availability of requisite cost-effective workforce due to lock downs imposed. Automation of the processes in assembly of control panels would better the efficiency and decrease turn-around time in conversion to finished products.

Due to continuance of COVID-19 and geo-political situations at global level, availability of the raw materials / components for manufacturing the products is faced with erratic Supply Chain scenario. The spurt in rise of prices of raw materials seems to be a threat. However, the Company is committed to meticulous planning for procuring raw materials in a timely manner.

Segment wise Performance

The operations of the Company were fully suspended from 24th May 2021 to 13th June 2021 due to the total lock down imposed by the Central / State Government to control the spread of COVID 19. After commencing operations partially from 14th June 2021, the Company gradually ramped up capacity utilisation in line with the relaxations announced. The Company became fully operational from 07th July 2021.

The Company has achieved the turnover of Rs. 25,611.72/- Lakhs and achieved a Profit before Interest, Depreciation, Exceptional items and Tax of Rs. 2,327.86/- Lakhs. During the financial year 2021-22 the Company has achieved Earnings Per Share of Rs.63.01/-. The main revenue segment of the Company, Electricals achieved turnover of Rs. 21,697.58/- lakhs and the Plastics segment achieved a turnover of Rs. 3,896.50/- Lakhs, both segments posted a substantial growth compared to the previous financial year.

There was a slight increase in generation of electricity by Wind Electric Generators due to increase in wind velocity.

Outlook and Risks & Concerns

The mobility restrictions, border closures, and health impacts from the spread of the Omicron variant vary from country to country depending on the susceptibility of the population. The severity of mobility restrictions and the expected impact of infections on the workforce availability more particularly in contact-intensive sectors are expected to weigh on growth in the current financial year. However, the negative impact is expected to fade assuming that the global surge in Omicron infections abates and the virus does not mutate into new variants.

India's prospects for 2023 are marked up on expected improvements to credit growth and, subsequently, investment and consumption building on anticipated performance of the financial sector. The Company is in a positive frame of mind to mitigate the risks on the raw material front and global supply chain concerns as well as to continue to grow in turnover and profitability.

Internal Control System and Adequacy

The Company has adequate internal control system, commensurate with its size and nature of its business. The management has the overall responsibility for the Company's internal control system to safeguard the assets and to ensure reliability of financial records. The company has a budgetary control system and periodically the actual performance is reviewed and the deviations, if any, are addressed accordingly. The audit committee reviews all financial statements and ensures adequacy of internal control systems.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ["the Act"], in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2022**, its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone financial statements section of our report, including in relation to these matters.

S. No.	Key Audit Matter	Auditor's Response
1.	Evaluation of uncertain tax positions The Company did not have material uncertain tax positions other than uncertain position of statutory dues of indirect taxes and electricity generation tax under dispute, which involves significant judgment to determine the possible outcome of these disputes.	Principal Audit Procedures We obtained details of completed tax assessments, demands received and latest rulings of appellate forums from the management. We analysed the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. We considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions and electricity generation tax. Additionally, we considered the effect of new information in respect of material uncertain tax positions and other uncertain position of statutory dues of indirect taxes and electricity generation tax under dispute, to evaluate whether any change was required to management's position on these uncertainties.

S. No.	Key Audit Matter	Auditor's Response
2.	<p>Assessment of carrying value of Investments</p> <p>The Company has invested in listed equity instruments and mutual funds. The evaluation of their fair values is considered as a key audit matter given the relative significance of the value of investments and the fluctuations in their fair values.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures in relation to assessing the carrying value of these investments include ascertaining from relevant external sources that the equity instruments and the mutual funds are carried at fair value as on 31st March 2022. In line with general market fluctuations, there are significant fair value changes in these investments. We agree with the management's evaluation of the fair values as at the balance sheet date read with the disclosures by the management in note on Investments [Refer Note No.6].</p>

We have determined that there are no other key audit matters to communicate in our report.

Information Other than the standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity of the Company and its cash flows in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the **Companies (Auditor's Report) Order, 2020** ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flows dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015;
- e) On the basis of the written representations received from the directors of the Company as on **March 31, 2022** taken on record by the board of directors, none of the directors are disqualified as on **March 31, 2022** from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure "B"** and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Companies Act 2013. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the auditors' report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note No. 39 to the standalone financial statements.
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, where applicable, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, where applicable, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

- v. As stated in **Note 51** to the Standalone financial statements

Annexure – “A” to the Independent Auditors’ Report

(Referred to in Paragraph 1 under “Report on Other legal and regulatory requirements” section of our report to the members of **LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED** of even date).

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) In respect of its Property, Plant and Equipment and Intangible Assets:
 - a) (A) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-Use assets.
(B) The company has maintained proper records showing full particulars of intangible assets.
 - b) The Company has a regular program of physical verification of Property, Plant and Equipment and right-of-use assets, if any, which in our opinion is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us during the course of the audit no material discrepancies were noticed on such verification.
 - c) Based on our examination of relevant records and on the basis of information and explanations given to us, we report that the title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at **March 31, 2022** for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) In respect of its inventories:
 - a) As explained to us, physical verification of inventories has been conducted at reasonable intervals by the management during the year. In our opinion and according to the information and explanations given to us during the course of the audit, the coverage and procedure for such physical verification of inventories followed by the management are reasonable and appropriate and no material discrepancies were noticed in any class of inventories as compared to the books of account.
 - b) During the year the company has been sanctioned working capital limits on the basis of security of current assets in excess of rupees five crores in aggregate from banks and the quarterly returns and statements filed by the company with such banks as per the terms of sanction of the said limits are in agreement with the books of account of the company.
- iii) Based on our audit procedures and according to the information and explanations given to us, the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties, including promoters and related parties, during the financial year and accordingly sub-clauses (a) to (f) of Paragraph 3(iii) of the Order are not applicable to the company.
- iv) According to the information and explanations given to us, the Company has not granted loans or made investments or provided guarantees and securities during the year and hence compliance with Section 185 and Section 186 is not applicable.
- v) According to the information and explanations given to us, the company has not accepted any deposits from the public or amounts which are deemed to be deposits during the year to which directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 of the Act are applicable and as such Paragraph 3(v) of the Order is not applicable.
- vi) We have broadly reviewed the cost records maintained by the company specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 and the rules made thereunder, as applicable to the company, and

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

are of the opinion that prima facie the specified cost records have been made and maintained. We have not, however, made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

vii) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the records of the company in respect of the statutory dues:

- a. The company is generally regular in depositing undisputed statutory dues including Goods and service Tax, Provident Fund, Employees' State insurance, Income tax, Sales Tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us during the course of the audit, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at **31st March 2022** for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us during the course of the audit, the details of disputed statutory dues that have not been deposited on account of dispute is as under:

Name of the Statute	Nature of the dues	Amount [₹ in lakhs]	Amount paid/ adjusted [₹ in lakhs]	Period to which the amount relates	Forum where dispute is pending
Central Excise Act / Service Tax Act	Service Tax	9.18	0.92	2011-12 to 2014-15	CESTAT

viii) Based on our audit procedures and as per the information and explanations given by the management, during the year there were no transactions not recorded in the books of account that have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 and hence paragraph 3(viii) of the Order is not applicable.

ix)

- a) In our opinion and according to the information and explanations given to us during the course of the audit, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender including banks, financial institutions and government.
- b) According to the information and explanations given to us during the course of the audit and on the basis of our audit procedures, the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion and according to the explanations given to us during the course of the audit, the company has not availed any term loans during the year and hence reporting under this clause regarding term loans applied for the purpose for which the loans were obtained is not applicable.
- d) According to the information and explanations given to us during the course of the audit and the audit procedures performed by us, and on an overall examination of the financial statements of the company, funds raised on short term basis have, prima facie, not been used during the year for long term purposes by the company.
- e) The company does not have any subsidiaries, associates or joint ventures and hence reporting on the funds taken by the company from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures is not applicable.
- f) The company does not have any subsidiaries, associates or joint ventures and hence reporting on the loans raised by the company during the year on the pledge of securities held in its subsidiaries, associates or joint ventures is not applicable.

- x)
- (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under paragraph 3(x)(b) of the Order is not applicable.
- xi)
- (a) To the best of our knowledge and belief and according to the information and explanations given to us during the course of the audit no fraud by the Company or any fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.
 - (c) According to information and explanations given to us and as represented to us by the management and on the basis of our audit procedures there are no whistle blower complaints were received by the company during the year.
- xii) The Company is not a Nidhi Company and hence reporting under sub clauses (a) to (c) of paragraph 3(xii) of the Order is not applicable.
- xiii) In our opinion according to the information and explanations provided to us and based on our examination of the records of the company, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties undertaken during the year and the details of such related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv)
- (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) According to the information and explanations given to us during the course of the audit the Company has not entered into non-cash transactions with directors or persons connected with its directors during the year and hence provisions of section 192 of the Companies Act 2013 are not applicable and accordingly paragraph 3(xv) of the Order is not applicable.
- xvi)
- (a) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the financial statements of the company in our opinion the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.
 - (b) In our opinion on the basis of our examination of the financial statements and representations made by the company it has not conducted any Non-Banking Financial or Housing Finance activities during the year.
 - (c) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the financial statements of the company and representations made by the company, in our opinion the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
 - (d) According to the information and explanations given to us during the course of the audit and as represented to us by the company in our opinion, there is no core investment company within Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) of the Order is not applicable.

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

- xvii) The company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii) There has been no resignation of Statutory Auditors of the Company during the year and accordingly reporting under clause 3(xviii) is not applicable.
- xix) According to the information and explanations given to us during the course of the audit and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) As per information and explanations given to us during the course of the audit and based on our examination of the records of the company, there are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing projects or other than ongoing projects. Accordingly transfer of unspent amount to a special account in compliance with provisions of sub-section (6) of Section 135 of the Companies Act, 2013 or transfer to a Fund specified in Schedule VII to the Companies Act 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act is not applicable and accordingly, reporting under clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable for the year.
- xxi) The company is not required to prepare consolidated financial statements and hence clause 3(xxi) of the Order regarding qualifications or adverse remarks by the auditors of the companies included in the consolidated financial statements is not applicable.

Report on the Internal Financial Controls over Financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED** as of **31st March 2022** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2022**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

1 Company overview

Lakshmi Electrical Control Systems Limited ('the Company') is a public limited company incorporated in India. The company's equity shares are listed on BSE. The address of its registered office and principal place of business are disclosed in the introduction to the Annual Report. The company is engaged in the manufacturing and selling of control panels and plastic components.

2 Significant Accounting Policies

2.1 Statement of Compliance

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

The principal accounting policies are set out below:

All assets and liabilities have been classified as current or noncurrent according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.3 Going Concern

The board of directors have considered the financial position of the Company at 31st March, 2022 and projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course.

The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company's operations.

2.4 Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

2.5 Revenue Recognition

The Company recognizes revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and specific criteria in relation to significant risk.

2.5.1 Sale of goods

Revenue from sale of products is recognised when the products are delivered to the dealer / customer or when delivered to the carrier, when the company transfers control of goods and services to the dealer / customer, as per terms of contract.

Revenue is measured at the fair value of the consideration received or receivable and net of returns, trade allowances and rebates. It excludes Goods and Services Tax.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

2.5.2 Income from service

Income from services is accounted over the period of rendering of services.

2.6 Foreign Currencies

2.6.1 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee, which is the Company's functional and presentation currency.

2.6.2 Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in profit or loss.

2.7 Employee Benefits

2.7.1 Short term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the Balance Sheet.

2.7.2 Other long term employee benefit

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee upto the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the period-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the leave as a current liability in the balance sheet to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date. Where Company has the unconditional legal and contractual right to defer the settlement for a period beyond 12 months, the same is presented as non-current liability.

2.7.3 Post-employment obligation

The Company operates the following post-employment schemes:

- a) Defined benefit plans such as gratuity for its eligible employees, and
- b) Defined contribution plans such as provident fund.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

Defined contribution plan:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme and pension scheme as expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plan:

The Company has a gratuity defined benefit plans for its employees. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and the balance sheet. The Company has funded this with Life Insurance Corporation of India ('LIC'). The contributions made to the LIC are treated as plan assets. The defined benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by the fair value of plan assets.

2.7.4 Bonus plans

The Company recognizes a liability and an expense for bonus. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

2.8 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.8.1. Current tax

The income tax expenses or credit is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted.

2.8.2. Deferred tax

Deferred tax is provided in full, using the balance sheet approach, on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

2.8.3. Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

2.9. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any.

Such assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. The other repairs and maintenance of revenue nature are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value :

Depreciation is calculated using the straight-line method on a pro-rata basis from the month in which each asset is put to use to allocate their cost, net of their residual values, over their estimated useful lives.

Estimated useful life of assets are as follows which is based on technical evaluation of the useful lives of the assets:

Particulars	Useful life in years (Nos)
Buildings	30
Plant and equipments	15
Furniture and fixtures	10
Vehicles	10
Office Equipments	3

The assets' residual values, estimated useful lives and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited / debited to profit or loss.

2.10. Intangible assets

An intangible asset is an identifiable non-monetary asset without physical substance.

Internally generated intangible assets

Expenditure on research activities is recognised as an expense in the period in which it is incurred. An internally generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale,
- the intention to complete the intangible asset and use or sell it, the ability to use or sell the intangible asset,
- how the intangible asset will generate probable future economic benefits
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset, and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

The amount initially recognised for internally generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally generated intangible asset can be recognised, development expenditure is recognised in profit and loss in the period in which it is incurred. Subsequent to initial recognition, internally generated intangible assets are reported at cost less accumulated amortization and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

De-recognition

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in Statement of profit and loss when the asset is derecognised.

Intangible assets are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any.

2.11. Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

As a practical expedient, the Company uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward-looking estimates. At regular intervals, the historically observed default rates are updated and changes in forward-looking estimates are analysed. In addition to the historical pattern of credit loss, the Company has considered the likelihood of increased credit risk and consequential default by customers including revisions in the credit period provided to the customers. In making this assessment, the Company has considered current and anticipated future economic conditions relating to industries/business verticals that the company deals with and the countries where it operates. In addition the Company has also considered credit reports and other credit information for its customers to estimate the probability of default in future. The Company believes that the carrying amount of allowance for expected credit loss with respect to trade receivables, unbilled revenue and other financial assets is adequate.

2.12. Inventories

Inventories are valued at the lower of cost and net realizable value after providing for obsolescence and other losses where considered necessary.

Cost is determined on weighted average basis. The cost of finished goods and work in progress comprises raw materials, direct labor, other direct costs and appropriate proportion of variable and fixed overhead expenditure and also other costs incurred in bringing the inventories to their present location and condition. Overhead expenditures are being allocated on the basis of normal operating capacity. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Non- production inventory (other than those supplied along with main plant and machinery, which are capitalised and depreciated accordingly) are charged to profit or loss on consumption.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

2.13 Provisions and contingencies

Provisions: Provisions are recognised when there is a present obligation or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are determined by discounting the expected future cash flows at a pre tax rate that reflects current market assessment of the time value of money and the risks specific to the liability.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.14. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

2.15. Financial assets

All purchases or sales of financial assets are recognized and de-recognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

2.15.1. Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test : the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

- Business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- Cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

2.15.2. Financial assets at fair value through profit or loss (FVTPL)

Investment in equity instrument are classified at fair value through profit or loss, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Financial assets that do not meet the amortised cost criteria or fair value through other comprehensive income criteria are measured at fair value through profit or loss. A financial asset that meets the amortised cost criteria or fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets and liabilities or recognising the gains or losses on them on different bases.

Investments in debt based mutual funds are measured at fair value through profit or loss.

Financial assets which are fair valued through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss.

2.15.3. Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment.

The Company generally determines the allowance for expected credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the company deals with and the countries where it operates. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future.

2.15.4. Cash and cash equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions, short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft are shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

2.15.5. Impairment of financial assets

The Company assesses impairment based on Expected Credit Losses (ECL) model to the following :

- financial assets measured at amortised cost
 - financial assets measured at fair value through other comprehensive income
- Expected credit loss are measured through a loss allowance at an amount equal to :
- the twelve month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within twelve months after the reporting date); or
 - full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to life time expected credit losses.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

2.15.6. Income recognition

Interest Income: Interest income from debt instruments is recognised using the effective interest rate method.

2.16. Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at fair value through profit or loss.

2.16.1. Trade and other payables

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of financial year which are unpaid.

2.16.2. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

2.16.3. Foreign exchange gains or losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in profit or loss.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of the reporting period. For financial liabilities that are measured as at fair value through profit or loss, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

2.17. Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components and for which discrete financial information is available. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. All operating segments' operating results are reviewed regularly by the Company's Chief Executive Officer [CEO], who is the Chief Operating Decision Maker [CODM], to make decisions about resources to be allocated to the segments and assess their performance. Information reported to the CODM for the purpose of resource allocation and assessment of segment performance focuses on the type of goods or services delivered or provided. The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Income / costs which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under unallocated income / costs. Interest income and expenses are not allocated to respective segments. Inter segment pricing is determined on arm's length basis. The Company has three reportable segments viz., Electricals, Plastics and Wind Power generation. Geographic information is based on business sources from respective geographic regions.

2.18. Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

2.19. Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

2.20. Earning Per Share

Basic earnings per share have been computed by dividing the net income by the weighted average number of shares outstanding during the year. Diluted earnings per share has been computed using the weighted average number of shares and diluted potential shares, except where the result would be anti-dilutive.

2.21. Dividends

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

2.22. Leases [As Lessee]

The Company's lease asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

ACCOUNTING POLICIES AND NOTES TO STATEMENT OF PROFIT AND LOSS AND BALANCE SHEET AS AT 31ST MARCH, 2022

2.23. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash and cash equivalents include cash on hand, cash with banks in current and deposit accounts with necessary disclosure of cash and cash equivalent balances that are not available for use by the company.

2.24 Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, Ministry of Corporate Affairs (MCA) amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 16 - Property Plant and Equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any shall not be recognized in the profit and loss account but shall be deducted from the directly attributable costs considered part of cost of an item of property, plant & equipment. The effective date of this amendment is annual periods beginning on or after April 1, 2022. The company has evaluated the amendment and does not expect it to have any significant impact in its financial statements.

Ind AS 37 - Provisions,Contingent Liabilities and Contingent Assets

The amendments specify that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 103 - Business Combination

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 - Financial Instruments

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

(iii) The net liability disclosed above relates to funded and unfunded plans are as follows:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Present value of funded obligations	481.08	417.01
Fair value of plan assets	(418.83)	(378.60)
Deficit of funded plan	62.25	38.41

The Company expects to make the contribution of ₹ 62.25 lakhs (as at 31st March, 2021 ₹ 38.41 lakhs) to the defined benefit plan during the next financial year.

(iv) **Post-Employment benefits**

Significant estimates: actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Discount rate	6.84%	6.30%
Salary growth rate	11.00%	11.00%
Attrition rate	31.60%	31.60%
Expected return on assets	6.30%	6.30%

(v) **Brief description of the Plans & risks**

These plans typically expose the Company to actuarial risks such as : Investment risk, interest risk, longevity risk and salary risk.

Investment risk:

The present value of the defined benefit plan liability is calculated using a discount which is determined with reference to market yields at the end of the reporting period on government bonds. Plan investment is a mix of investments in government securities, other debt instruments and equity shares of listed companies.

Interest risk:

A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt instruments, if any.

Longevity risk:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Notes to the Financial Statements for the year ended 31st March, 2022 (All amounts in ₹ Lakhs, unless otherwise stated)

Salary risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of plan participants will increase the plan's liability.

(vi) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Impact on defined benefit obligation

Particulars	Change in assumption		Increase in assumption		Decrease in assumption	
	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2022	As at 31st March, 2021
Discount rate	1%	1%	-4.76%	-5.15%	5.14%	5.59%
Salary growth rate	1%	1%	4.98%	5.33%	-4.69%	-4.99%
Attrition rate	1%	1%	-0.63%	-0.73	0.65%	0.76%

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

(vii) The Company's best estimate of pay-outs are as under:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Within one year	78.86	29.92
After one year but not beyond five years	119.15	130.34
Beyond five years upto ten years	231.82	193.07

(viii) The weighted average duration of the defined benefit obligation is 13.63 years (March 31, 2021 – 13.34 years).

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2022 (All amounts in ₹ Lakhs, unless otherwise stated)

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements.

Particulars	Note No.	Level 1	Level 2	Level 3	Total
As at 31st March, 2022					
Financial assets :					
Financial Investments at FVOCI:	6	8,560.93	-	-	8,560.93
Financial Investments at FVTPL:	6	4,063.19	-	-	4,063.19
Total financial assets as at 31st March, 2022		12,624.12	-	-	12,624.12
As at 31st March, 2021					
Financial assets:					
Financial Investments at FVOCI:	6	6,035.99	-	-	6,035.99
Financial Investments at FVTPL:	6	4,291.33	-	-	4,291.33
Total financial assets as at 31st March, 2021		10,327.32	-	-	10,327.32

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include the use of quoted market prices or dealer quotes for similar instruments. The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

34 CAPITAL MANAGEMENT

(a) Risk management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, The company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Company is debt free currently and it intends to maintain a optimal gearing ratio for optimising shareholder value.

(b) Dividends

Particulars	(Amount in ₹)
Final Dividend for the year ended 31st March, 2021 of ₹ 10/- per fully paid share (For year ended 31st March, 2020 : ₹ 0.50)	3.50
Final Dividend for the year ended 31st March, 2020 of ₹ 10/- per fully paid share (For year ended 31st March, 2019 : ₹ 9.00)	0.50

35 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to market risk, liquidity risk and credit risk.

(A) Credit risk

Company faces credit risk from cash and cash equivalents, deposits with banks and financial institutions and unsecured trade receivables. The Company doesn't face any credit risk with other financial assets.

(i) Credit risk management

Credit risk on deposit is mitigated by depositing the funds in Scheduled Commercial Banks.

For trade receivables, the primary source of credit risk is that these are unsecured. The Company sells the products to customers only when the collection of trade receivables is certain and whether there has been a significant increase in the credit risk on an on-going basis is monitored throughout each reporting period. As at the balance sheet date, based on the credit assessment the historical trend of low default is expected to continue. An impairment analysis is performed at each reporting date on an individual basis for major clients. Any recoverability of receivables is provided for based on the impairment assessment.

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks and financial institutions with high ratings assigned by international and domestic credit rating agencies. Ratings are monitored periodically and the Company has considered the latest available credit ratings as at the date of approval of these financial statements.

(ii) Provision for expected credit losses for trade receivables

The company provides for expected credit loss based on the following:

Year ended 31st March, 2022:

Expected credit loss for trade receivables under simplified approach

Ageing	Not due	0-60 days past due	61-180 days past due	More than 180 days past due	Total
Gross carrying amount	4,291.44	2,078.17	233.89	66.96	6,670.46
Expected loss rate	0%	0%	0%	0%

Carrying amount of trade receivables (net of impairment)	4,291.44	2,078.17	233.89	66.96	6,670.46

(B) Liquidity risk

Objective of liquidity risk management is to maintain sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal requirements .

LAKSHMI ELECTRICAL CONTROL SYSTEMS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2022 (All amounts in ₹ Lakhs, unless otherwise stated)

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Floating rate		
- Expiring within one year (bank overdraft and other facilities)	1,134.45	872.55

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR and have an average maturity of 1 year.

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non-derivative financial liabilities, and
- net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.
